EDUCATION

Bachelor of Engineering
Kongu Engineering College

2020 - 2024   *8.49 CGPA*

Under Graduate Degree
- COMPUTER SCIENCE ENGINEERING

Higher Secondary School
Green Valley Matric Hr Sec School

2019 - 2020   *62.8*

Secondary School
Yogi Vemana Matric Hr Sec School

2017 - 2018   *88.8*

TECHNICAL PROJECT EXPERIENCE

Project I
Grocery Maintenance

Developed a web app for grocery stock management, leading to enhanced inventory control, cost savings, and improved customer satisfaction in the industry.

Roles and Responsibilities:
- Designed, developed, and managed a web application for streamlined grocery stock management, resulting in improved inventory control and operational efficiency."

Project II
Circle of Life

Designed to enhance security and privacy in password-based systems, specifically for UPI pin generation or mobile passwords.

Roles and Responsibilities:
- Designed, developed, and tested secure solutions for password-based systems, ensuring privacy and reliability.

Project III
Optimization techniques for feature selection and disease prediction in medical diagnosis

In real-time COVID-19 diagnosis, I enhance accuracy by selecting vital features, refining predictions through effective feature selection techniques in medical data analysis

Roles and Responsibilities:
- Designed and developed a model for feature selection and disease prediction using Covid-19 real time dataset

AREA OF INTEREST

FullStack Web Development   UI/UX
Database Management System

PERSONAL PROJECT

KEC HOSTELS
- Engineered 'KEC Hostel' web page using HTML, CSS, and JavaScript, providing students a visual tour and detailed amenities overview for informed booking decisions

SHOPEE
- ReactJS cloth shopping project: Learn React hands-on with a dynamic webpage, exploring fashion trends while honing essential web development skills

BATTERY API
- Designed and implemented a hands-on Battery API project, showcasing expertise in real-world API development for effective battery data monitoring and management.

ACHIEVEMENTS

ALL INDIA INTER DIRECTORATE - 5th Position
50m Prone Open Sight Junior Women Category - Kerala

BEST FIRER - Gold Medal
Group Level Shooting Camp & Pre-Inter Group Competition - 1st Prize

ALL INDIA GV MAVLANKAR
Qualified for Pre Nationals

CERTIFICATIONS

Java Programming - Great Learning
Certified in Java Programming by Great Learning, showcasing proficiency in fundamental concepts and contributing to a strong software development foundation.

Java11-LinkedIn Learning
Certified in Learning Java 11 programming by LinkedIn learning
